

LUMINAIRE LIGHTBOXES

LIGHTBOXES

Edge illumination
or rear lit

Snap frame style, easy
change graphic facility

Impressive curved front face

LIGHTBOXES

A BRILLIANT **RANGE OF TWO** EYE CATCHING LIGHTBOXES CONSTRUCTED IN TOUGH YET LIGHTWEIGHT ALUMINIUM CASES. CHOICE OF **SOPHISTICATED EDGE LIT TECHNOLOGY** IN AN ULTRA THIN CASE OR A **TRADITIONAL REAR LIT** SYSTEM WITH A CURVED FRONT FACE. BOTH SYSTEMS OFFER A **RAPID ACCESS FRONT LOADING** GRAPHIC CHANGE FACILITY.

FEATURES

- Luminaire 2 Lightboxes feature impressive 30mm deep aluminium cases combined with sophisticated edge illumination technology offering an even spread of light
- Four poster sizes are available in the Luminaire 2 - A0, A1, A2 and A3
- Luminaire 3 Lightboxes offer a traditional rear illuminated system constructed in a tough, lightweight aluminium case
- Luminaire 3 offers three sizes to hold A1/594mm x 841mm transparencies, oversized A2/420mm x 614mm transparencies or A3/297mm x 420mm transparencies
- Both Lightboxes feature snap frame style front opening which allows easy change of transparencies without removing the units from the wall
- Pre cut wall mounting holes are on cut into the rear panel of both light box
